Director's Emphasis with Mr. Phillips

Really exciting to see students showing up to the meetings. Leaders in place, colorguard leaders doing great, section leaders are holding sectionals. Drum majors conducting in the mornings during warm ups so time is not wasted. Upbeat music allows Jazz band to make recordings but we need to work at it. Smart Music is a new program, all paid by the district, for the entire music department. Has all sorts of resources for the students. Code will be sent in a few days.
