Guard Report by Yolanda

Very proud of AJ, Colorguard Captain, who spoke at the School Board meeting last thursday about bringing his team back to school for conditioning. Students are continuing conditioning online and coaches are back on zoom with them. No set date on when they will return to school for conditioning and practice. Griselda does have

virtual competitions set up through WGASC starting, tentative February 21, 2021.

Director's Emphasis by Mr. Phillips

Everything is going good. Cologuard advisors are teaching period 7th. Harry is back, our drum instructor. Unsatisfactory notices were turned in today. Parents, please check the portal, Aeries. If students do not maintain at least a 2.0, they will be removed from Marching Band and put in PE for both Band and Colorguard. Sectionals going on everyday for different instruments and Google meets in the afternoon for private lessons are available.
