- 10/9 Field show Breakdown

-Roughly \$13,000 in ticket sales

-Roughly \$4,000 in concessions

-Still waiting for credit card fees to be deducted, and some money to come in from vendors and payout expenses for remaining concessions and hospitality.

- Final numbers looked good with our projected budget, which we went over. With a projected surplus, we can see next month some areas where we can buy or repair any equipment.

Ways N Means by Minisa

- Dining for Dollars events coming up and will be posted on the Facebook page and emailed out for students to share. Trying to do an event every 3 to 4 weeks to get some revenue coming in and a chance to help individual accounts.

- Also, doing a Holiday see's candy fundraiser. This will be online and easy to set up and order. This will help the student's account.

Director's Emphasis by Mr. Phillips

The shirt will have a peace sign in the front and back on white shirt. More updates to follow. Currently trying to finish the show, closer has 29 sets. Might not see the finished product till the semi finals. Trying to do the best we can with the kids. We really have a chance to win. Goal: to get a good score, use top two scores and be placed in semi's. We need to make the top 8 bands for the championship with 13 bands in our division that have signed up. Appreciate all your hard work, your time, parents help and students.
